Flash Weather Report Storyboard

Monday

When the Monday button is clicked, this screen will show Mondays weather Report.

Tuesday

When the Tuesday button is clicked this will screen show Tuesdays Weather Report.

Wednesday

When the Wednesday button is clicked, this screen will show Mondays Weather Report.

Images

I have created the following Images for the Weather Report.

I will use this image to create a Weather Map.

Creation

I used the following Actionsript to operate the buttons.

```
1 stop();
2
3 btn_Monday.addEventListener(MouseEvent.CLICK,mon);
4 function mon(event:MouseEvent):void { gotoAndStop(1); }
5
6 btn_Tuesday.addEventListener(MouseEvent.CLICK,tue);
7 function tue(event:MouseEvent):void { gotoAndStop(2); }
8
9 btn_Wednesday.addEventListener(MouseEvent.CLICK,wed);
10 function wed(event:MouseEvent):void { gotoAndStop(3); }
```
